St. David's Episcopal Church
Weekday Infant Program

*Serving children 3-15 months old
as of September 1 each school year*

Bright Beginnings Fun!

Welcome to St. David's Episcopal Church and our Bright Beginnings Early Childhood Infant Program! Our mission is to provide a safe and loving Christian-based environment to care for children who are ages 3 to 15 months as of September 1 each school year. Unlike a typical daycare, once placed in a classroom, children will stay with those teachers and classmates the entire school year.

Bright Beginnings is a specially designed infant program that will take into consideration the developmental needs of each child. We strive to provide a nurturing, positive, and stimulating environment that will meet the children's needs and help them gain the skills necessary to experience success. The children are exposed to daily chapel, sign language, music, language development, outdoor playtime, and so much more!

We have two classrooms - one for our younger babies and one for our older babies - with two full-time teachers and a part-time teacher in each room.

Our Bright Beginnings Infant Program gives us the opportunity to reach out to families with younger children who are not yet ready to attend our wonderful St. David's School for children ages 16 months through kindergarten.
